| Summary of Meeting (If appropriate attach papers) | <p>Attended forum on Friday 20 May. Thoroughly enjoyed it. Overall numbers about 120, I think. I sat at a front table with the speakers and had a chat with Jane Kendal, the boss lady; Derek Smith, who is involved in setting up HealthWatch; James Lampert, who was at LINK's annual meeting, 19 May; and Alex Stephenson.</p> <p>Thrust of the day was about the work of Gateway, what it has done, what it is doing and the future.</p> <p>The details are given in the schedule of the slides presented by the speakers. I enclose this paper with the package I am handing over to you.</p> <p>Gateway proposes to roll-out more of these sessions across the county and I think that John Ashelford should get involved as it seems obvious that LINK / HealthWatch will do well to get involved and tap into the information stores as appropriate, and also to create a hub of its own.</p> <p>There are two forms in the package which need your attention (marked Stage 1 and Stage 2), may be LINK has already filed these forms with Gateway. I also include a paper given out by Alfred Gracey about Migrants, this was a subject not included in the official agenda.</p> |
