Priorities Panel Report and Q&A  
Work Programme Update and Opportunities for Involvement  
Conclusion of formal meeting

Refreshment break

#### **Workshops Commence**

Round table discussions about seldom heard groups in East Kent, specifically Thanet.

- What does seldom heard actually mean? (sets the context)
- Who should LINK be working with?
- How should LINK be engaging with them?
- What are the barriers? And their solutions?
- Examples of how engaging and involving seldom heard groups works and doesn't work

Louise Murrell  
Kent LINK Development Worker (LDW), East Kent
