Dear Colleague

## Health Overview and Scrutiny Committee Meeting – 5 February 2010

As you may be aware, the meeting of the Committee on 5 February will look at the two topics, that of Dover Healthcare and Emergency Care Pathways. We have already written to you regarding the item relevant to you and look forward to receiving any written evidence from you by **midday, Wednesday 27 January 2010**.

The Committee will examine the topic of Dover Healthcare first and so would ask that any attendees for this item are present from the scheduled start of the meeting at 10 O'clock. The precise timings are difficult to predict, but we would also ask that any attendees for the Emergency Care Pathways item are present from 11.15 at the latest. They would of course be most welcome to observe the first part of the meeting from the public gallery. The meeting will take place at Sessions House, County Hall, Maidstone.

If you could also inform us of the name and job title of anyone who will be able to attend on your behalf in advance of the meeting, it would be appreciated.

If you would like any further information about these meetings, please either contact myself, or Tristan Godfrey, Research Officer to the HOSC, on 01622 694196 or send an email to [tristan.godfrey@kent.gov.uk](mailto:tristan.godfrey@kent.gov.uk).
