

## The Kent LINK Consolidated Work Programme 2009 / 2010 (Projects and issues raised with the LINK)

ID Number	Project / Issue	Activities	Lead	Start	End	Status / Progress
P01	<p><b>Hygiene, Disinfection and Patient Experience in Hospitals (Project 1):</b></p> <ul style="list-style-type: none"> <li>• To determine the policy on the use of hand hygiene for both East and West Kent</li> <li>• To establish a compliance standard</li> <li>• To make unobtrusive observations of the use of selected dispensers</li> <li>• To make observations on a number of occasions throughout an agreed period.</li> </ul>	<p><u>Determine policy of usage</u></p> <ol style="list-style-type: none"> <li>1. Consult Infection Control departments in East and West Kent trusts</li> <li>2. Make an appointment with the head of Infection Control</li> <li>3. Compliance standard; decide what constitutes effective hand cleaning. Suggest both hands - not one handed</li> </ol> <p><u>Unobtrusive observations</u></p> <ol style="list-style-type: none"> <li>4. Plan to make observations where the potential users of hand hygiene are not aware of the recorders</li> <li>5. Make observations on occasions</li> <li>6. Main hospitals in both East and West Kent ie Maidstone and Tunbridge Wells, Pembury, William Harvey, Kent &amp; Canterbury and Queen Elizabeth Queen Mother Hospitals</li> <li>7. Decide how many hand hygiene points to be monitored</li> <li>8. Decide how often monitoring is done</li> <li>9. Decide the time period for monitoring</li> <li>10. Monitoring done by two observers</li> <li>11. Monitoring time 30 minutes at each point - at least five points at each hospital per visit - chosen points to include one nearest to hospital entrance.</li> </ol>	CB	01/09/09	31/12/09	<ol style="list-style-type: none"> <li>1. Project Group established</li> <li>2. Hand Hygiene policies obtained from:                             <ol style="list-style-type: none"> <li>i. East Kent NHS University Hospitals Trust</li> <li>ii. Maidstone and Tunbridge Wells NHS Trust</li> <li>iii. Dartford and Gravesham NHS Trust</li> <li>iv. South East Coast Ambulance NHS Trust</li> </ol> </li> <li>3. FOI Act requests issued to:                             <ol style="list-style-type: none"> <li>i. Medway NHS Foundation Trust</li> <li>ii. Kent and Medway NHS and Social Care Partnership Trust</li> </ol> </li> <li>4. Quotes obtained for testing kits</li> <li>5. Recruitment of LINK visitors commenced.</li> </ol>

P02	<p><b>Hygiene, Disinfection and Patient Experience in Hospitals (Project 2):</b></p> <ul style="list-style-type: none"> <li>To discuss with Infection Control departments their policies on the issues listed</li> <li>To investigate frequency of deep cleaning, concentration of available chlorine in the made-up buckets, methods of making up the chlorine disinfectant and the frequency of renewal, monitoring surfaces for MRSA, monitoring the use of micro fibre cloths and mop heads and efficiency of micro fibre cloths.</li> </ul>	<p><u>Determine Policy</u></p> <ol style="list-style-type: none"> <li>Meet with head of Infection Control and determine the Trust's policy</li> <li>When and where is chlorine used?</li> <li>How frequently are Wards deep cleaned?</li> <li>What is the procedure for making up chlorine and how is this monitored?</li> <li>What is the policy regarding the use of micro-fibre clothes and mops?</li> <li>Who is responsible for maintaining standards?</li> <li>Are any cleaning processes microbiologically monitored?</li> </ol> <p><u>Measurement of Available chlorine in disinfectant buckets</u></p> <ol style="list-style-type: none"> <li>Samples taken from made up buckets; sampler to wear disposable gloves and 25ml sample taken into a McCartney tube. Label data to include location, time since make-up, appearance</li> <li>Samples to be sent to analytical lab as soon as possible together with a positive control sample</li> </ol> <p><u>Measurement of MRSA or SA</u></p> <ol style="list-style-type: none"> <li>In order to determine the efficacy of disinfection tests of efficacy should be done. These can be done in various ways</li> <li>Investigate ways of doing such tests and find which laboratories would process the samples.</li> </ol>	CB	01/09/09	31/12/09	
P03	<p><b>Hygiene, Disinfection and Patient Experience in Hospitals (Project 3):</b></p> <ul style="list-style-type: none"> <li>To carry out a survey of all LINK participants on their experiences of hospital cleanliness in</li> </ul>	<ol style="list-style-type: none"> <li>Contact all LINK participants and find out which have been in hospital recently and would be willing to fill in a questionnaire on their experience with hospital hygiene.</li> <li>Points to be covered in the questionnaire are in the work plan</li> </ol>	CB	01/09/09	31/12/09	

	Kent hospitals.	3. In the absence of a good response from LINKs participant's alternative ways should be found in order to get the views of at least 100 patients.				
P04	<b>Transport to Hospital Project:</b> <ul style="list-style-type: none"> <li>To find out what systems trusts have in place to minimise transport problems for their patients, particularly to the use of innovative approaches to addressing these problems, including working with partner organisations</li> <li>To see what level of consistency exists between trusts in the provision they make for patient transport, car parking, patients who are stranded at A&amp;E, links with community transport schemes and the quality of travel information given out to patients</li> <li>To initiate a debate across Kent and Medway with a view to identifying best practice and promoting improved access to health services across the community of Kent.</li> </ul>		LM	01/09/09	31/12/09	Information is currently being gathered on transport and travel plans held by all NHS Trusts across Kent and Medway. Approximately 18 participants have expressed an interest in being involved with this project although at this stage they are just being kept informed of progress.
P05	<b>Training and Supervision of Care Assistants Project:</b> <ul style="list-style-type: none"> <li>To find out what</li> </ul>		EO	01/09/09	31/12/09	

	<p>contracting and commissioning practices exist in Kent in relation to the provision of social care in people's homes</p> <ul style="list-style-type: none"> <li>To compare those practices with best practice in this field.</li> </ul>					
P06	<p><b>Stroke Services in Kent Project:</b></p> <ul style="list-style-type: none"> <li>To find out what is being done in Kent and Medway to address shortfalls in stroke service provision</li> <li>To raise awareness within the LINK of current initiatives underway to improve stroke services</li> <li>To identify any barrier there may be towards achieving those aims</li> </ul>		EO	01/09/09	31/12/09	
P07	<p><b>NHS Trust in Kent and Medway Project:</b></p> <ul style="list-style-type: none"> <li>To monitor acute trusts, specifically East Kent University Foundation Trust, to ensure patients are not compromised as a result of Foundation Trust status being awarded</li> <li>To review the operation of foundation trusts in Kent to ensure staff and patient complaints and views are taken into account – following the report into incidents in</li> </ul>		CB	01/09/09	31/12/09	

	Mid Staffordshire.					
P08.1	<p><b>Getting the LINK involved in the commissioning arrangements for health and social care (Project 8.1):</b></p> <ul style="list-style-type: none"> <li>• To work with a range of user groups in the NHS Eastern and Coastal Kent area with a view to influencing the NHS 'Vision' for commissioning community services to 2014</li> <li>• To use focus group methods</li> <li>• To host, in conjunction with NHS Eastern and Coastal Kent, a wash-up event with the purpose of defining the 'Vision'.</li> </ul>		LM	20/07/09	29/08/09	1. Completed, report placed on LINK website.
P08.2	<p><b>Getting the LINK involved in the commissioning arrangements for health and social care (Project 8.2):</b></p> <ul style="list-style-type: none"> <li>• To work with KCC's Adult Social Services in developing their Older Person's Strategy. In particular, to do so in relation to contracts the KCC has with Age Concerns in West Kent. In this context to examine the extent to which people are encouraged to be independent, are treated</li> </ul>		EO	27/07/09	30/09/09	1. Stage I complete – eight focus groups held and report placed on LINK website.

	<p>with dignity and respect, feel safe and secure and are encouraged to stay healthy</p> <ul style="list-style-type: none"> <li>To use focus group methods to obtain the views of service users</li> <li>To adopt mystery shopper technique to assess existing services provided at Age Concern Day Centres.</li> </ul>					
P08.3	<p><b>Getting the LINK involved in the commissioning arrangements for health and social care (Project 8.3):</b></p> <p>This Kent LINK project will be commissioned by NHS Eastern and Coastal Kent:</p> <ul style="list-style-type: none"> <li>To seek to establish a competition to celebrate the contributions that local voluntary and community groups are making to healthcare.</li> </ul>	<p>1. This would involve:</p> <ol style="list-style-type: none"> <li>Inviting nominations from LINK participant organisations</li> <li>Setting a deadline for receipt of nominations</li> <li>Establishing a Panel and criteria for making the award.</li> </ol>	LM	01/08/09	30/09/09	<p>1. Project complete, panel decided on winners and prizes awarded at Eastern and Coastal Kent Primary Care Trust Annual Meeting.</p>
P09	<p><b>Annual Check by Care Quality Commission for Health and Social Care Project:</b></p> <ul style="list-style-type: none"> <li>To work with the community and voluntary sector on arrangements for the next Care Quality Commission's Annual Health Check to enable the LINK to comment.</li> </ul>		ALL LDW s	01/10/09	31/03/10	<p>12/10/09 Proposals invited from local universities. 28/10/09 GH met Prof West, Greenwich University 17/11/09 GH met Prof Ruston, Christchurch University 20/11/09 Meeting with representatives of the Care Quality Commission</p>

ID001	Shortcoming in pain control services in Kent	<ol style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. Panel queried whether to pursue or not and needed further information</li> <li>3. Letter to the two PCTs asking about:</li> <li>4. Availability of pain services across the county</li> <li>5. 800 Members' experience</li> <li>6. Public knowledge / awareness of where to get help for pain control</li> <li>7. Patient returning from hospital re service available</li> <li>8. Royal College of Anaesthetists - ask re ratio of patients to pain consultants across the county</li> <li>9. Royal College of Anaesthetists - ask what options should be given to patients in pain (alternative to surgery)</li> <li>10. PCTs – what options are given in Kent?</li> </ol>	GH	27/07/09		<p>09/09/09 To Priorities Panel 28/09/09:</p> <p><u>Letters sent to:</u></p> <ol style="list-style-type: none"> <li>i. Ann Sutton, Chief Executive, NHS Eastern and Coastal Kent</li> <li>ii. Steve Phoenix, Chief Executive, NHS West Kent</li> <li>iii. Marion Dinwoodie, Chief Executive, Chief Executive, NHS Medway</li> <li>iv. Chief Executive The Royal College of Anaesthetists</li> <li>v. Copies to Dr Meradin Peachey, Director of Public Health.</li> </ol>
ID002	Proposal to set up a primary angioplasty service in West Kent	<ol style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. Panel had general support / interest in</li> <li>3. Action agreed write to: <ol style="list-style-type: none"> <li>i. Chris Thoms; specialist view (bit more thinking). Obtain more info – stroke (letter to Judy Hunt)</li> <li>ii. Phyllis / Glynis Holt; cardiac. Applies to 'poor service' in West Kent, not East Kent (quality good)</li> <li>iii. Refers to HOSC; disparity of services across East and West Kent.</li> </ol> </li> </ol>	GH	05/08/09		<p>09/09/09 To Priorities Panel 29/9/09:</p> <p><u>Emailed:</u></p> <ol style="list-style-type: none"> <li>i. Emma Cain, Public Liaison Officer, NHS West Kent Primary Care Trust</li> </ol> <p><u>Action outstanding:</u></p> <ol style="list-style-type: none"> <li>ii. Re Chris Toms / Judy Hunt</li> <li>iii. HOSC.</li> </ol>
ID003	Withdrawal of physiotherapy and occupational therapy services	<ol style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. Panel agreed action: <ol style="list-style-type: none"> <li>i. Find out what the situation is for other users, eg involving Mencap, People with Down's Syndrome - ask participants and groups</li> <li>ii. What services are available</li> </ol> </li> </ol>	GH	02/08/09		<p>09/09/09 To Priorities Panel 28/09/09</p> <p><u>Letters sent to:</u></p> <ol style="list-style-type: none"> <li>i. Ann Sutton, Chief Executive, NHS Eastern and Coastal</li> </ol>

		<p>generally in community - PCT, area by area</p> <ul style="list-style-type: none"> <li>iii. What are the patients entitled to and what are they receiving?</li> <li>iv. What about particular course of treatment for people with long-term conditions?</li> <li>v. Can each PCT commission from private sector and probably take with ID 004?</li> </ul>				<ul style="list-style-type: none"> <li>ii. Kent Steve Phoenix, Chief Executive, NHS West Kent</li> <li>iii. Marion Dinwoodie, Chief Executive, Chief Executive, NHS Medway.</li> </ul>
ID004	Shortage of physiotherapy services in Swale	<ul style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. See item 003 above for action</li> </ul>	GH	27/07/09		As above
ID005	Recognition for Swale (West) users	<ul style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. Draw the issue to the attention of PCT re concerns of group</li> <li>3. Ask where Swale group sits within their user network</li> <li>4. Find out what PCT doing to communicate with the residents of Swale.</li> <li>5. Advise referrer can, of course, liaise with their local elected representatives and also to the HOSC.</li> </ul>	GH	30/07/09		<p>09/09/09 To Priorities Panel Action outstanding re letter to PCT. Advice to referrer.</p>
ID006	Impact of green paper 'Sharing the Future of Care Together' for those on benefits	<ul style="list-style-type: none"> <li>1. Refer to Priorities Panel</li> <li>2. Action: <ul style="list-style-type: none"> <li>i. Keep a watching brief or LINK can respond to consultation;</li> <li>ii. Priority Panel can respond to consultation; inform participants can get involved and can respond</li> <li>iii. Refer to LINK Governors re LINK responding to the consultation and how and may incur resources and cite some of the actions already being taken</li> <li>iv. Advise there is a consultation and can feed in views into that but also see 1 above</li> <li>v. Ask Priorities Panel members re personal experience.</li> </ul> </li> </ul>	GH	11/08/09		<p>09/09/09 To Priorities Panel 17/09/09 Referred to Governors' Group 10/11/09 Debate held at LINK Quarterly Event in Folkestone 12/11/09 Governors' Group approve LINK response for despatch to Department of Health 13/11/09 LINK response despatched to Department of Health and placed on LINK</p>
