

Kent LINK Governors' Group 2009-2010

Article written by Brenda O'Neill, KMN Contracts Manager

The LINK's Governors' Group was the first LINK group to be established and the new LINK Governors all worked very hard with KMN to create the various LINK strategies and policies that were approved at the LINK's launch on 3 December 2008.

The term of office for the LINK's first Governors came to an end on 30 September 2009. Selection of a new group was undertaken through three selection events. As a result the Kent LINK has a new Governors Group, with some of the first Governors being re-selected and some new faces. They met for the first time on 12 November 2009 and again on 17 December 2009 when they agreed a schedule of meetings for 2010. Meetings of the Governors are open to the public and are publicised on the Kent LINK website www.thekentlink.co.uk and in the Kent LINK Bulletin.
