Dear Mr Hills

**Re: Services for sufferers of chronic pain**

Thank you for your letter of the 28 September 2009 regarding the distribution of doctors engaged in the treatment of chronic pain. I have discussed this with my colleagues here and at the British Pain Society and sadly we are unable to help with your query as we do not keep this information.

The Department of Health may be able to provide you with this type of data.

Yours sincerely

Daniel Waeland

Senior Administrator
